X — colours available as indicated in the table on the first page

- Gun available only in blue.
- CleanAccess offer includes other gun configurations, such as: female quick coupling outlet and swivel joint inlet.
- Female quick couplings are available with covers in 4 different colours which allow colour coding, as well as in detectable by X-Ray and metal detectors version. Each female quick coupling cover has antimicrobial properties.
- Available with female quick coupling (also in SAVE WATER version) and with swivel.
- The configuration with swivel joint allows the gun to rotate without tangling/twisting the hose.
- Solid, durable and hygienic housing made of impact-resistant plastic.
- Seals made of materials resistant to abrasion and chemicals.
- Trigger lock.
